SMART & WADDELL

Y. M. C. A. HAPPENINGS

The big reception and entertainment given by the Y. M. C. A. to the younger boys of the Association last night was attended by more than 300 delighted youths. The affair proved a success in every detail. The association building rang with boyish good cheer from 7:30 until 10 o'clock and the boys unanimously proclaimed it "The time of their lives."

The affair was in charge of a committee composed of Messrs. George Von Stein, John Clark, George Copeland and M. A. Mickle. The boys assembled at 7 o'clock and a short program of music and recitations was rendered in the lobby of the building. Jos. Neidhart and Herbert Johnson gave several pleasing recitations and Benjamin Grills rendered two mandolin solos.

Various contests took place in the gymnasium. Among the first was a relay race between two boys from the First ward against those of the Second ward. The First warders won. The Third and Fourth warders next contested in a relay race and the Third ward won. A tug of war between the First and Second and the Third and Fourth wards resulted in the boys from the First ward beating Second ward and the Fourth triumphed Third warders. The winning teams then played and the game resulted in a tie score.

During the evening it was announced that a membership contest among the boys of the various wards would begin immediately and continue one month. The ward team securing the largest number of votes will be presented with a league ball and bat. Each individual bringing in a new member will receive an Association watch fob. The contest promises to be an interesting one.

At the conclusion of the program, refreshments were served.

TAKEN TO LANCASTER

Young Byers Committed to the Reform School.

Robert Byers, aged 14, was taken to the Lancaster reform school by Mrs. Hand, matron of the Waddells Children's home, Saturday morning. Robert is one of the lads who ran away from the home Monday and boarding the train of the Forepaugh-Sells circus, rode to Newark, where they were taken into custody by an officer.

Emmett Knight, aged 15, was arrested with the Byers boy, but as this was his first offense he was permitted to return to the home after the authorities had given him some good advice.

The Byers had been in trouble before, having been released on probation by Probate Judge Foster, some time ago. Friday afternoon he was given a hearing before the judge and was ordered taken to Lancaster. He is the son of Mrs. Nettie Byers.

Page Was Too Playful.

A page at a Piccadilly (London) club has lost his position because he amused himself in his leisure moments by calling up public institutions on the telephone and making absurd inquiries. For example, he would call up the Hanwell Insane Asylum and ask: "Can I speak to the chief lunatic?"

and three small children, and the later are especially clever.

Other members of the bill are Jones and Raymond, in a comedy musical act. Erni, the one legged wonder burlesquer, fancy skater and hand balancer, will be a feature which will undoubtedly please.

Mary Madden, a monologuist and singing and dancing comedienne will please. John Creighton and his troop of educated roosters is one of the greatest novelty acts before the public today, and the act alone is worthy of attracting a large audience.

The pianist will sing, "I Wonder if You'll Miss Me," which will be illustrated in the usual beautiful manner. In conclusion, the moving picture machine will reel off three subjects, "Parody On a Toreador," "Naples Near Vesuvius" and "Mother's Illness at Christmas."

HAPPY WOMEN PRAISE PE-RU-NA

It Is Works, Not Words, That Has Made Pe-ru-na Famous Throughout the Land.

The miss and the matron alike praise Peruna. Girls and women have all discovered the value of Peruna. The Miss and Mrs. have been ill, each in her own peculiar way, and have found relief by taking Peruna.

Fair girls and beautiful women, frail daughters and ailing mothers everywhere have taken Peruna and know its value in the relief of ailments peculiar to their sex. From the grandmother to the girl babe the gentler sex are under numerous obligations to Peruna.

All this being true and the woman does not hesitate to tell it, her words win the confidence of other women, and thus the fame of Peruna spreads from household to household, until millions of homes acknowledge Peruna as their favorite and reliable family medicine.

Peruna is good for many minor ills. It can be relied upon to mitigate the many disagreeable effects of colds and irregularities so common among women. All the ailments of a catarrhal nature belong within the scope of Peruna's remedial action.

MISS ANNIE HENDREN

Miss Annie Hendren, Rocklyn, Wash., writes: "I feel better than I have for over four years. I have taken several bottles of Peruna and one bottle of Manaline. I can now do all of my work in the house, milk the cows, take care of the milk, and so forth. "I think Peruna is the most wonderful medicine. I believe I would be in bed to-day if I had not written to you for advice. I had taken all kinds of medicine, but none did me any good. Peruna has made me a well and happy girl. I can never say too much for Peruna."

"I suffered with female troubles for thirteen years, and tried the best doctors in Louisville, Ky., without relief. I spent thousands of dollars at the Springs. The doctors desired that I have an operation performed to remove my ovaries, which I would not consent to. I saw an advertisement of your Peruna and bought one bottle, and before I had taken it all I could get out of bed and walk about. After taking three bottles I was as well and hearty as ever. I gained in flesh from one hundred and eighteen to one hundred and eighty-six pounds. If it had not been for your great and wonderful medicine I would now be in my grave. I would advise all women sufferers to try it. I would not be without it for the world."—Anna Manden, Hollygrove, Ark.

"I was troubled with very serious pelvic weakness, which exhausted me so that I feared I would lose my mind. I suffered agony with my back, the pain extending down my left leg. The pain was so severe that I would have welcomed death as a relief. Peruna cured me of this trouble, no wonder I recommend it so highly. It will soon be two years since I found relief from the pain and not a sign of it has returned. I am glad that there is a way in which I can speak of this, as many a sufferer may read my testimonial, and not only read, but believe."—Mrs. Wm. Henderson, Craik, N. W. T., Can.

"I feel it my duty to write and tell you of the good Peruna has done me. I was subject to female weakness. For six years I suffered more or less. We consulted various doctors, who gave me relief, but no cure. I have suffered a great deal, and my husband had very large bills to pay.

"In my despair I decided to try Peruna, and the first bottle taken according to your directions gave me relief. I have had no backache since then. Since we have used Peruna, a doctor has seldom been in our house."—Mrs. Martha Friedrich, Central Park, L. I., N. Y.

MRS. SOPHIA CALDWELL

Mrs. Sophia Caldwell, 1122 McGavock street, Nashville, Tenn., writes:

"After doctoring for a year and finding no relief from leucorrhoea resulting from prolapsed uteri, and which was sapping my life forces away, I finally tried Peruna and when I found that it was helping me every day it seemed almost too good to be true.

"But, it not only helped me, it cured me and in a very short time. I am now enjoying the best of health. I am strong and free from pain, and I certainly feel that all praise and honor are due to Peruna."

"I feel it my duty to write and tell you of the good Peruna has done me. I was subject to female weakness. For six years I suffered more or less. We consulted various doctors, who gave me relief, but no cure. I have suffered a great deal, and my husband had very large bills to pay.
